

PREMIER VETERINARY GROUP PLC

Company Number 04313987

At the Annual General Meeting of Premier Veterinary Group plc, held on Monday 31 March 2025, the following question, which was submitted by a shareholder as directed in the notice of the meeting, was given due consideration by the Board of Directors, whose response is also set out below.

Question : Will a facility be made available to shareholders for the disposal of shares?

Response : The Board is conscious that some shareholders may wish to divest themselves of their shares but, as a formerly listed company, Premier Veterinary Group plc is subject to very strict rules in this area. It is important that the Board treats all shareholders equally and therefore it cannot assist in arranging share sales or buying back shares without publicly announcing such a facility and making it available to all shareholders.

The Board periodically reviews options for shareholders wishing to sell shares and, whilst there is no longer a formal market mechanism for the sale of shares, these do remain freely transferable by individual shareholders.
